GREEN'R Stain Wash Oxy

Bleachable stain remover

- REMOVAL OF BLEACHABLE STAINS
- EFFECTIVE FROM 30°C

GREEN'R offers an answer to the new, ecological hygiene standards with an extensive range of well-performing eco labelled products. The products are nontoxic and do not harm the environment. Even in lower doses and at lower temperatures they show impeccable results and maximum efficiency while saving on water, transportation costs and packaging.

PROPERTIES

GREEN'R Stain Wash Oxy is effective on bleachable stains such as wine, grass, tea ... It is suitable for use on all textiles resistant to oxidizing agents.

INSTRUCTIONS FOR USE

Apply GREEN'R STAIN WASH OXY on the stain before washing. Wash immediately without leaving the product to dry on the textile. If in doubt about the color retention, make a test on a hidden part of the laundry. Do not expose the treated laundry to light.

Contains hydrogen peroxide. Oxygenated water can have a temporary and reversible reaction on the skin (white stains). Wash hands thoroughly after use.

Do not expose pretreated clothes to the sun

Do not use on metal parts (buttons, zippers), nor on rust.

Do not use on leather, suede, clothing for dry cleaning only, materials resistant to flames.

CHARACTERISTICS

- Colourless liquid
- pH (20°C): 2.2 - 2.6
- Relavite density (20°C): ± 1.036

ENVIRONMENT

It is important to respect the dosage and the lowest recommended temperature (maximum 30 °C). It is recommended to run the washing machine at full load to minimize consumption of energy and water and reduce water pollution.

100% recyclable packaging.
